At the July 8, 2014 meeting of the Michigan Public Service Commission in Lansing,  
Michigan.

PRESENT: Hon. John D. Quackenbush, Chairman  
Hon. Greg R. White, Commissioner  
Hon. Sally A. Talberg, Commissioner

**ORDER**

The following parties have filed a joint application for approval of interconnection agreements  
or amendments to an interconnection agreement:

Case No. U-15914	TNCI Operating Company, LLC, f/k/a Trans National Communications International, Inc., and AT&T Michigan Application filed on June 26, 2014, for approval of a first amendment to an interconnection agreement (changes the name of Trans National Communications International, Inc., to TNCI Operating Company, LLC, modifies Section 20.0 to add revised methods for notice and contact information, and adds rates, terms and conditions for AT&T Transit Traffic Service).
------------------	--

47 USC 252(e)(2) and (3) provides in part:

- (2) The State commission may only reject
  - (A) an agreement (or any portion thereof) adopted by negotiation under subsection (a) of this section if it finds that--
    - (i) the agreement (or portion thereof) discriminates against a telecommunications carrier not a party to the agreement; or
    - (ii) the implementation of such agreement or portion is not consistent with the public interest, convenience, and necessity; . . .

- (3) Notwithstanding paragraph (2), but subject to section 253 of this title, nothing in this section shall prohibit a State commission from establishing or enforcing other requirements of State law in its review of an agreement, including requiring compliance with intrastate telecommunications service quality standards or requirements.

After reviewing the application, the Commission finds that it should be approved. The Commission finds that the amendments are consistent with federal and state law and are in the public interest. Under 47 USC 252(i) and MCL 484.2359(2), the services provided under the agreement shall be made available to other telecommunications carriers upon the same terms and conditions.

THEREFORE, IT IS ORDERED that:

- A. The interconnection agreement amendments listed above are approved.
- B. Approval of the interconnection agreement amendments does not alter the duty of the parties to comply with relevant federal and state law and past and future Commission orders and rules.

The Commission reserves jurisdiction and may issue further orders as necessary.

Any party aggrieved by this order may file an action in the appropriate federal District Court under 47 USC 252(e)(6).
